

Commission on Preparation for Ministry

August 2022

- In June the CPM met online with Dr. Emily Cash from St. Luke's Center, Louisville to share about each other's processes – St. Luke's psychological evaluation process and Transylvania's processes for ordination and for commissioned pastors.
- Also, in June the CPM reviewed and approved Asbury Seminary courses completed by a candidate to satisfy commissioned pastor course requirements for Old Testament, New Testament, and Christian Education.
- At the August CPM meeting the commission discussed final details for the annual retreat, which will be held August 12-13 at Burnamwood.
- Ordination exam readers, a teaching elder, a ruling elder, and an alternate, for February 2023 will be elected at the September CPM meeting.
- Currently, one inquirer and two candidates are under the care of the CPM, and four candidates are working towards commissioning.

Respectfully submitted,
Ginny Shanda, CPM moderator
