Information:

- Year-end statistics reporting will open in December. I'll share more information as it becomes available. If anyone has questions about statistics or year-end reporting, I'm happy to help as much as I can.
- If there's interest in a training or refresher course for clerks of session, let me know and we can find a date in January. I've also had a few questions about updating church bylaws, and I can lead a session addressing bylaws, if there's interest.
