

## Youth Leadership Ministry

This summer the Youth Leadership Ministry oversaw a month of Presbytery camps at Camp Burnamwood. There were four weeks of camp and we had a great staff led by Alex Schwab and Caroline Copley. Over the four weeks of June we had 3 campers at CIT training, 14 third-fifth graders, 16 Middle School, and 19 High School. I want to thank Alex and Caroline for all they did this summer ensuring that camp went off without a hitch and for providing the leadership needed to make sure that camp happened.

Moving forward we will be looking at how this Ministry organizes itself and discerning what our goals and objectives are. We would like to expand outside of only organizing Burnamwood camps and retreats and work towards offering opportunities and events for youth to engage their faith; discover and strengthen their leadership capabilities; and build strong relationships with their church, their peers, and their God.

One of the things that we need in order to do this is people of all ages who are willing to work as a multi-generational team to plan events and gatherings aimed at upbuilding and strengthening youth involvement across the Presbytery. We need planners, dreamers, organizers, movers, and shakers to come on board to begin making this ministry something that upbuilds not only the church but people who make it up...particularly and most importantly to this ministry the youth.
