

Commission on Preparation for Ministry

May 2024

- At its April meeting, the CPM interviewed Jon Roller for the Commissioned Pastor process, accepted him into the program, and welcomed him under the care of the CPM. Penny Lamb will serve as Jon's CPM shepherd.
- The CPM also scheduled its annual retreat for August 16-17 at Camp Burnamwood. The retreat is an opportunity for CPM members and everyone under the commission's care to gather to get to know one another, learn together, and conduct our annual consultations with each candidate.
- Also at its April meeting, the CPM agreed to discuss the size of the commission at a future meeting, with the possibility of requesting a reduction from the Coordinating Commission. This may come before the presbytery in August.
- We still have two candidates for ordination under our care, both of whom have just taken ordination exams. With the enrollment of Jon Roller in the Commissioned Pastor process, we now have three individuals in that program.

Respectfully submitted,
Rev. Linda Kurtz
