

## Commission on Preparation for Ministry

Supplemental Report - August 2024

During its annual retreat for commission members, ordination candidates, and commissioned pastor candidates, the CPM held a called meeting on Saturday, August 17 for the purpose of examining candidate Marissa Carver for ordination. After a worship service led by Marissa and conversation with commission members, **the CPM unanimously voted to certify Marissa as ready to receive a call pending examination for ordination.**

This allows Marissa to begin seeking a call, though she cannot be examined for ordination until after November 13 (one year from becoming a candidate) per presbytery and denominational policies.

Congratulations, Marissa! And many thanks to Rev. Griffin Ryan for serving as Marissa's shepherd during her time under care with the Presbytery of Transylvania.

Respectfully submitted,

Rev. Linda Kurtz
